

WE'VE GONE EPIC

In 1982, the Sacco family was the first to bring Buffalo Wings to the West Coast when they opened the original Wings N' Things in San Diego, California. More than 30 years later, Wings N' Things has gone EPIC and now serves their award winning secret family recipe as Epic Wings.

Our goal is simple - Epic Wings believes in serving the BEST. WINGS. EVER. from coast to coast. We are committed to serving quality meals while bringing friends and family together. Our specialty is serving fresh, never frozen wings, chicken tenders, and boneless wings along with hand rolled garlic breadsticks and house made dressings.
